F2-005 Agenda proposal

Proposer:	CDN
Resolution date:	21.11.2026

Resolution text

Delete in line 5:
1.4 Approval of the proposed substitution for Saturday 21/11/2026~~[Newline]~~

Insert in line 7:
3. COMG - CoM guidelines and any other procedural buisness

Reason

We should leave the space for all other topics relevant for the procedural work of the Council without impacting the wider agenda and logistical organisation - this should not take long, but it is important in my opinion
