COMG-016

Political Platform Amendment

Proposer: Youth for a Green Future (decided on: 21.11.2026)

Title: **COMG-016: CDN Council of Members Guidelines**

Motion text

Insert from line 15 to 16:

The CoM is presided over by one Member Organisation which sets the political agenda for the work of the CoM and defines the priorities during its mandate. **The political agenda should be presented to the CoM for discussion and approval by simple majority. All Member Organisations shall have the opportunity to propose thematic priorities and provide input before its adoption.**

Reason

The presiding MO should provide leadership without monopolising the network's political priorities. This is particularly important when different member organisations work on different policy areas.
