COMG-033

Political Platform Amendment

Proposer: Youth for a Green Future (decided on: 21.11.2026)

Title: **COMG-033: CDN Council of Members Guidelines**

Motion text

Insert from line 32 to 33:

priorities set for the mandate should be kept until the GA, with the EC taking over the temporary presiding role. The annual political agenda may be reviewed and updated during the mandate in response to emerging political developments, following consultation with Member Organisations and approval by the CoM.

Reason

Political circumstances can change substantially over a year. The CoM should be able to respond to new developments without waiting for the next GA.
