IR-463 Internal Rules of Procedure

Proposer: Belarus Young Greens
Resolution date: 14.03.2025

Amendment for IR

Insert from line 463 to 464:

15. 1. CDN should strive to hold offline events (including EC and prepteam meetings) in countries that are both safe for participants and accessible in terms of visas, location, and other factors.

In order to minimise the environmental impact of our events, all

Reason

We propose adding this paragraph to ensure that CDN strives to hold meetings in countries where there is no risk of extradition for political reasons, where visa restrictions do not pose a barrier, and where the location allows participants to arrive quickly and safely. Of course, this is a recommendation to keep such situations in mind, and exceptions may apply when necessary.
