IR-066 Internal Rules of Procedure

Proposer: Executive Committee
Resolution date: 15.02.2025

Amendment for IR

Insert from line 65 to 66:

2. 2. 14. submitted by the Executive Committee, any Member organisation or working group 15 days prior to the GA. Amendments to resolutions can be submitted up to 5 days prior to the GA.

Reason

Clearly defined deadline for amendments to resolutions would help delegates, presidency and CDN Team to better prepare GA, as the amount and content of amendments will be known before the GA. At the same time, 10 days from deadline to submit resolutions is enough time to table the amendments.
